Dear Mr. Delaney:

In Mr. Dulles' absence from Washington, I would like to acknowledge and thank you for your letter of 2 November.

I note that you ask for "information or interpretation as to American relations" during 1922 and 1923. I might suggest that you write to the Department of State as they may be able to give you some information on this subject.

Sincerely,

Send

Dear Sir:

Am a Graduate student and Trinity University here in San Antonio and the topic for my Master's thesis is: "American Relations with Turkey from 1922-1938". I have come across your name in connection with the Near East Commission of the State Department in 1922 and 1923 and would appreciate it, if you could possibly give me some information or interpretation as to American Relations (Diplomatic in this case or otherwise) at that time you were familiar with them. I would greatly appreciate your help or possible suggestions for additional information.

Sincerely,

Leslie P. Delaney
